

The Maine Department of Health and Human Services, Office of Child and Family Services, Maine Child Care Subsidy Program (CCSP) Consumer Education Statement

The Department of Health and Human Services (DHHS) is the lead agency responsible to plan and administer child care subsidies funded by the Child Care and Development Block Grant (CCDBG). This work is done by the Child Care Subsidy Program (CCSP), in the Office of Child and Family Services (OCFS) <https://www.maine.gov/dhhs/ocfs>.

The Child Care and Development Block Grant (CCDBG) Act of 2014 enhances statutory development and school success; and supports parents who work or are in training or education. The CCDBG Act also supports parent and family member involvement in the development of their children in child care settings. As the lead agency, Maine DHHS assists this effort by sharing consumer education details about child care services to parents and families to help them make informed choices.

The Child Care Subsidy Program (CCSP):

- ❖ The CCSP is a statewide program that supports eligible families to pay child care.

The Child Care Subsidy Program:

- ❖ Helps eligible families pay for child care if they work, go to school, attend a job training program, or are retired and the legal guardian of a child;
- ❖ Ensures the health and safety of children in child care;
- ❖ Provides equal access to high quality child care for families with low income; and
- ❖ Enhances the quality of child care and the Early Care and Education workforce.

To learn more about the CCSP:

There are three (3) ways to return your completed application to the OCFS:

1. Fax: 207-287-6308; **or**
2. Email: CCSP.DHHS@maine.gov; **or**
3. Mail: OCFS, 11 State House Station, 2 Anthony Avenue, Augusta, ME 04333

Note: Do not bring your completed application to a DHHS Office.

OCFS staff will review your application to:

- ❖ Determine if you are eligible for the program; and/or
- ❖ Approve the child care provider you chose.

Important CCSP Income and Eligibility Guidelines:

- ❖ All families must meet income guidelines at or below eighty-five percent (85%) of the State Median Income.
- ❖ Add three percent (3%) for additional family members. For families with more than one (1) child in care, the youngest child is always considered the first child enrolled. The total amount of assessed fees to a family shall not exceed ten percent (10%) of the family's gross income for all their children.
- ❖ Fees are assessed to all families. The parent fee is determined by the:
 - o Number of individuals in the family;
 - o Gross income or allowable net income; and
 - o Quality Rating and Improvement System (QRIS) level of the Early Care and Education Program.
- ❖ The parent fee does not vary with the:
 - o Number of children receiving child care services;
 - o Amount of child care services they need; or
 - o Type of child care services the parent chooses to use.
- ❖ Weekly fee assessments must be rounded down to the nearest dollar. All assessed parent fees shall be paid directly to the provider by the parent. To learn more about parent fees, go to: <https://www.maine.gov/dhhs/ocfs/support-for-families/child-care/paying-for-child-care>

The Maine Department of Health and Human Services, Office of Child and Family Services, Maine Child Care Subsidy Program (CCSP) Consumer Education Statement

- ❖ Parent(s) enrolled in job training or an educational program must prove enrollment the first time they fill out an application and when redetermined. They must attend classes in person or online.
- ❖ If a parent is income eligible and provides documents from the Social Security Administration (SSA) or the MaineCare Medical Review Team, identifying a disability that makes them: 1) unable to take care of the child(ren); or 2) unable to work and the other parent is working, attending a job training or education program, the family may be eligible for the CCSP.
- ❖ If a child is home-schooled, the parent is not eligible to receive child care subsidy during regular school hours, as defined within their school district.
- ❖ If funding is available, DHHS may waive the employment, job training or educational program requirements; and approve CCSP for no longer than twelve (12) months, for:
 - o At-risk children;
 - o A child involved in an open child protective case;
 - o A child in care and custody; or
 - o A child placed under the legal guardianship of a person who is at retirement age.
- ❖ If you receive benefits like Maine Supplemental Nutrition Assistance Program (SNAP), ASPIRE or MaineCare, the process for applying for and renewing these benefits through the Office for Family Independence (OFI) is the same.

Background Checks and Child Care Providers

To meet federal and state requirements for all Child Care Providers delivering direct child care services, OCFS conducts a criminal background check, that includes fingerprinting. There is no cost to child care providers for this process. Go to: [Child Care Provider Background Checks | Department of Health and Human Services \(maine.gov\)](#).

Child Care Providers are required to request background checks with the use of fingerprinting for themselves and their child care staff member(s) to include:

- ❖ All licensed child care facilities;
- ❖ Licensed family child care providers; and
- ❖ CCSP license-exempt child care providers (excluding CCSP relative child care providers).

Per Federal law (45 C.F.R. § 98.43) the following individuals must submit to background checks with the use of fingerprinting described below:

- ❖ All adults (18 years and older) residing in the location where child care services are being provided;
- ❖ Any individuals whose activities involve the care or supervision of children or who have unsupervised access to children; and
- ❖ The Child Care Provider him or herself.

The following registries, repositories, and databases are checked for each individual for whom a background check is requested, with the mandatory use of fingerprints described below:

- ❖ National Crime Information Center National Sex Offender Registry <https://www.fbi.gov/services/cjis/ncic#File-Types> and Federal Bureau of Investigation fingerprint check (using Next Generation Identification).
- ❖ In the State where the individual resides: State child abuse and neglect registry/database, State Bureau of Identification (SBI) <https://www.maine.gov/dps/Sbi/> crime repository with fingerprints, and State Sex Offender Registry <https://www.nsopw.gov/>.
- ❖ In each State where the individual has resided at any time during the previous five (5) years: State child abuse and neglect registry/ database, SBI or comparable State agency's crime repository (with or without fingerprints), and State Sex Offender Registry.

Individuals must schedule an appointment for fingerprinting. All individuals must complete the above requirement every five (5) years. Once completed, individuals will receive a letter from the OCFS stating whether individual is eligible or ineligible **and** a letter to provide to current or prospective employers.

<https://www.childcarechoices.me/>:

- ❖ Give full address including the city and zip code; **or**
- ❖ Give just the city; **or**
- ❖ Give just the zip code.

Choose other filter options based on your needs.

Who can be a Child Care Provider?

- ❖ Licensed child care centers;
- ❖ Licensed family child care homes;
- ❖ An adult who provides care in their own home;
- ❖ An adult who come to your home to provide care; and
- ❖ A relative over 18 years of age.

Process for Licensing Child Care Providers: Children's Licensing and Investigation Services (CLIS)

CLIS ensures Early Care and Education Programs are safe and healthy environments, provide care and supervision, and engage in developmentally appropriate activities to meet each child's physical and emotional needs. CLIS monitors compliance with regulations set by the DHHS under direction of the Maine Legislature. CLIS licenses and monitors: Family Child Care Homes, Child Care Centers, and Nursery Schools. Go to:

<https://www.maine.gov/dhhs/ocfs/provider-resources/child-care-licensing>.

Monitoring and Inspecting Child Care Providers

CLIS provides monitoring inspection reports for each on-site visit to **licensed** and **license-exempt** Early Care and Education Programs. This report outlines any health and safety violations and includes action step(s) the child care program took to correct the violation(s).

To find the licensing history and inspection reports of an Early Care and Education Program, go to: <https://search.childcarechoices.me/>.

Health and Safety Requirements for Child Care Subsidy Providers

All licensed programs and license exempt providers who have an agreement to accept children on the CCSP must meet health and safety training requirements. To learn what the health and safety requirements and trainings are, go to: <https://mrtq.org/health-and-safety-training-faqs/>

Quality for ME – Maine’s Quality Rating and Improvement System (QRIS)

Maine’s Quality for ME provides parents a way to easily identify high quality Early Care and Education Programs. QRIS uses Standards to evaluate and document the quality of Early Care and Education Programs by using a four (4) step process, each step leading to higher quality. Step 4 is the highest step a program can achieve. Families can use QRIS to guide their choices for quality child care. CCSP Licensed Child Care Providers must be at least a Step 1 on the QRIS. Go to <https://childcarechoices.me/index.php/quality-rating-and-improvement-system/>.
